DWT H55- 9m Hospitality Trailer

DWT H55 This trailer is designed with a wide and welcoming entrance with bi-fold doors and sliding glazed panels. Internally the trailer expands with a large pod directly opposite the entrance providing a versatile hospitality facility. The large seating area is divided by a small counter ideal for AV presentation display. There is also a separate seating area for six with removable table in the neck area partitioned off by a glazed sliding door. To the rear is a compact galley including sink, fridge, storage and personnel door. The exterior has large area for graphics including swing round and recessed panels, a full length lift up header board and flags to the offside.
