DWT M40- 9.7m Merchandising/ Exhibition Trailer

DWT M40 This trailer has been designed to have a low entrance height to make it more accessible and welcoming to visitors. The interior remains empty apart from the slat walling and shelf to allow ease of converting to your requirements. To the rear is a raised area for product display or modular seating and to the front is a separate area ideal for conversion to office, hospitality area or even storage. The exterior is finished off in white and has plenty of available space for vinyl graphics.
