DWT is a leading UK provider of mobile exhibition and outdoor event solutions

Based just off the A1 near Colsterworth in Lincolnshire- in the strategic heart of Britain- our operating centre enables us to deliver and set up exhibition trailers in a single day

3m Exhibition Trailer Ref DWT D10 4263

This 3m simple single axle exhibition trailer with the benefit of seating, display and a very quick set up time and being light weight is often suitable for self towing.

Typically it is ready to use in under 10 minutes. It has a wide entrance with lift up canopy with logo board to its leading edge, fold down aluminium steps with slot in stainless steel handrails. The two swing round graphic panels create a large display area either side of the entrance steps.

Exterior includes:

- Large lift up canopy with logo board
- 3m wide fold down steps with handrails
- Front and rear swing round graphic panels
- Twin flagpoles

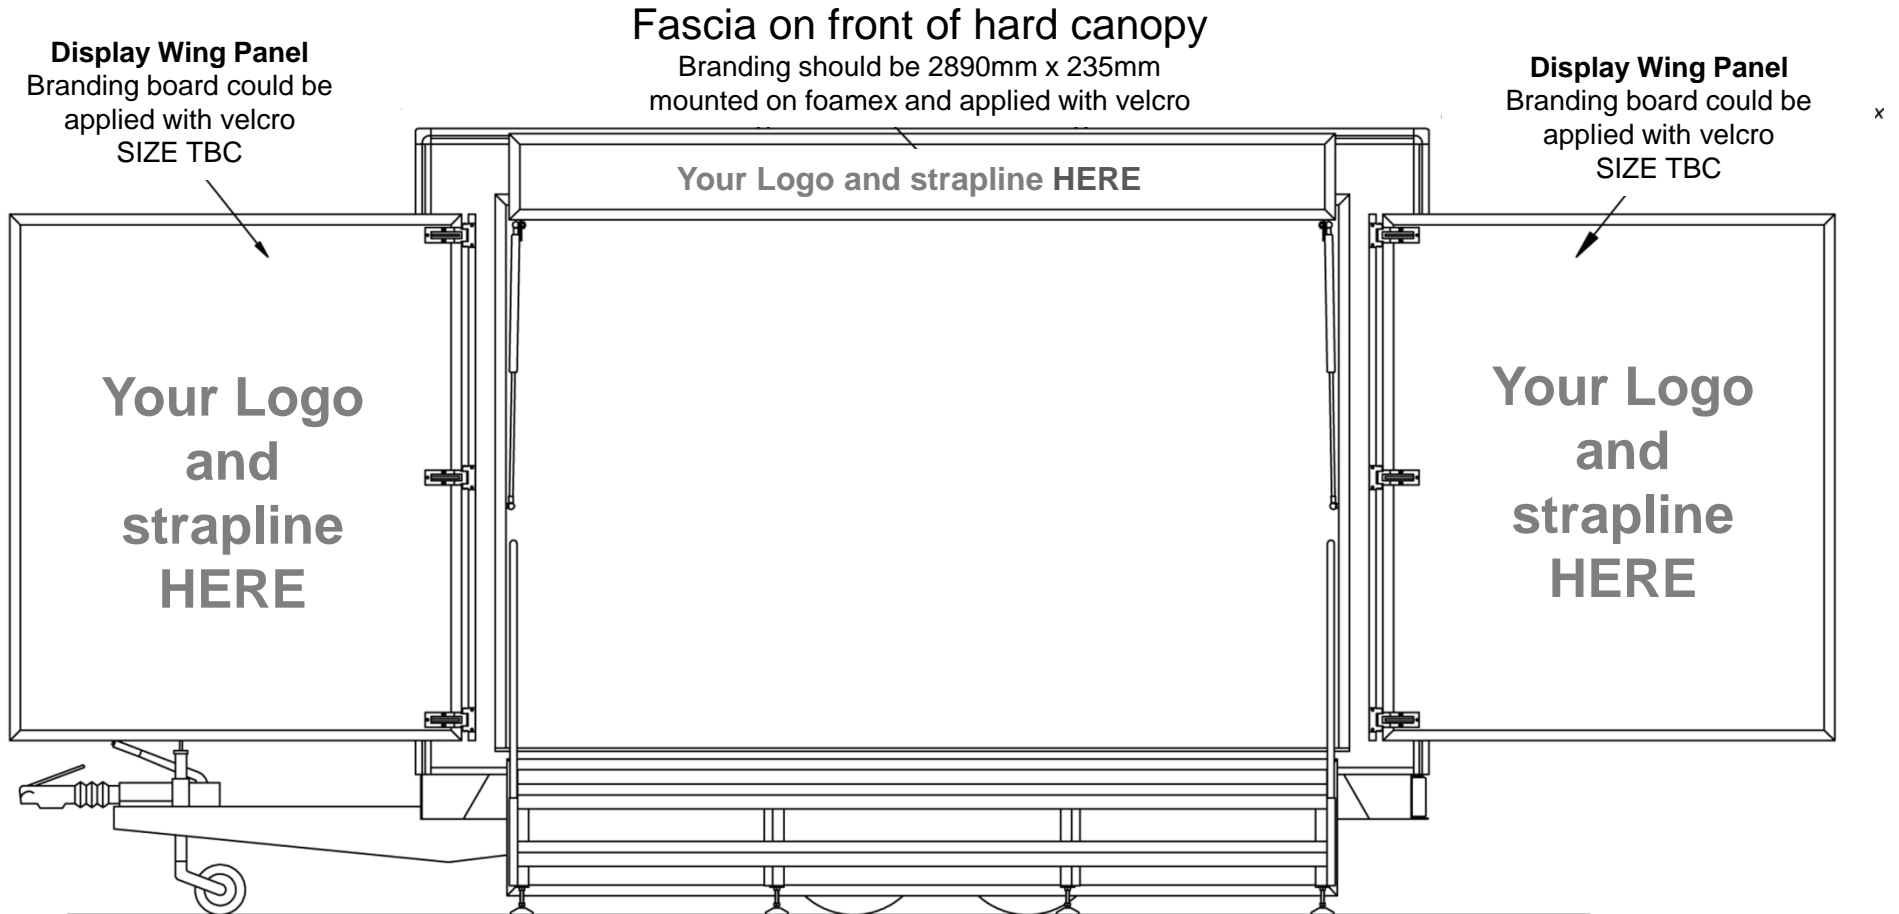

Interior includes:

- Nylon loop graphics panels
- Seating with storage under
- Internal power points
- Central Literature rack (over wheel arch)

3m Exhibition Trailer Ref DWT D10 4263

Nearside Elevation

Overall length when full deployed 5520mm Overall width 3550mm including canopy

Note Channelling on fascia and wing panels 38mm
